SAFETY IS #1

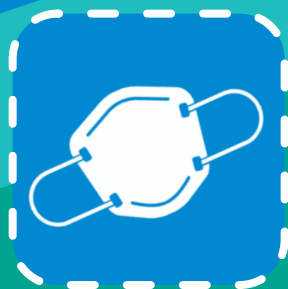

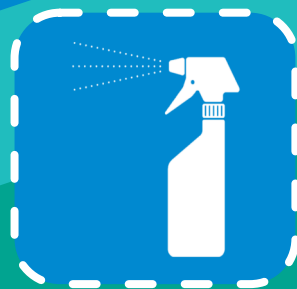

Safety is our number one priority.

We will be following all health department recommendations and local regulations at camp. To help protect the health of fellow campers, staff, and the community please do not send your camper to camp if they are showing any symptoms of illness -or- if they have had direct contact with any person showing symptoms of illness. Campers showing any symptoms of illness will not be allowed to remain at camp.

We are working diligently to keep camp open, healthy, and safe.

- Routine cleaning throughout the day
- Deep cleaning once camp is closed
 - Frequent handwashing
- Social distancing when possible
 - Wearing face masks

Thank you for your cooperation, understanding, and dedication to the health of our community.
