**This is a fun night of volleyball? After the YMCA closes for the night, volleyball players will get to come out and play AFTER HOURS. We will have fun team building activities along with playing fun volleyball games. This is a great way to meet new friends or hang out with the ones you know while doing what you love! This is four hours of fun in a safe environment. Come join us AFTER HOURS? Please bring a healthy snack to share with everyone as we all know we get the munchies as the evening goes. Never played volleyball? That's okay we love to have you experience the joy of volleyball.**
