

HEALTHY EMPLOYEES HEALTHY BOTTOM LINE

WORKPLACE WELLNESS @ STATELINE FAMILY YMCA
Increase employee productivity, reduce absenteeism and stress, and help lower health care costs by designing a customized wellness program that can include this and more:

- Nutrition Counseling
- Lunch and Learns
- On-site group exercise classes
- Employee education
- Personal Training
- Membership fee match incentive (Y Matches 50% up to \$20 per employee per month)

WHY THE Y?

Healthy, happy people are good employees! A well-rounded benefits package-one that includes a YMCA membership is attractive to current and potential employees. An estimated 25-30% of companies' medical costs per year are spent on employees with excess, often preventable, health risks.
