Stateline Family YMCA 2020 Impact Report

The Stateline Family YMCA is a **NONPROFIT organization** serving communities in Northern Illinois and Southern Wisconsin. We actively **LISTEN** and **RESPOND** to the needs of our community, while continuing to **EVOLVE** the programming and services we offer.

2020 was a year no one expected. Even though we were thrown curve ball after curve ball, we were able to **ADAPT** and continue **SERVING** the Stateline Community. The **FUNDING** and **SUPPORT** from our generous donors, members, and community partners allowed us to **POSITIVELY** impact the Stateline in 2020.
