

# STATELINE FAMILY YMCA 2021 COMMUNITY IMPACT

The Stateline Family YMCA is a cause-driven nonprofit organization focused on serving and strengthening communities in Northern Illinois and Southern Wisconsin. We continually provide experiences that help the communities we serve to **LEARN, GROW, and THRIVE** – ensuring all our neighbors have the same opportunities.

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind, and body for all; those last two words are our favorite. We are **FOR ALL** and our generous donors help that mission come to life by supporting our Annual Community Campaign. In 2021, we had the honor of seeing 171,724 members come through our doors, and we look forward to continuing serving our neighbors as we continue to impact lives in 2022.
