COMPLETE AND RETURN TO CHILD CARE CENTER. State law requires all children in child care centers to present evidence of immunization against certain diseases within 30 school days (6 calendar weeks) of admission to the child care center. These requirements can be waived only if a properly signed health, religious, or personal conviction waiver is filed with the child care center. See "Waivers" below. If you have any questions about immunizations, or how to complete this form, please contact your child's child care provider or your local health department.
