2022 ANNUAL IMPACT REPORT

Stateline Family YMCA is a cause-driven nonprofit organization focused on serving and strengthening communities in Southern WI and Northern IL. We continually provide experiences that help the communities we serve LEARN, GROW, and THRIVE - ensuring all our neighbors have the same opportunities.

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind, and body for all; those last two words are our favorite. We are FOR ALL and our generous donors help that mission come to life by supporting our Annual Community Campaign.
