FOOTBALL SKILLS CAMP

TEACHING TECHNIQUE & CHARACTER EXCELLING AT SKILLS & LIFE

The Beloit Memorial High School football program will lead this non-contact camp and everyday will be packed full of drills designed to teach football fundamentals and refine technique.

Players will receive 4 days of instruction and then camp will end with a fun competition for all players. All players should bring their own water bottle and a football if they have one. Everyone will also receive a camp t-shirt.

To help limited the number of people each player comes in contact with, players will be put into a group on the first day of camp and will remain within that group for the entire camp. All coaches and volunteers will be wearing masks during camp.
