# STATELINE FAMILY YMCA 2020 Annual Community Campaign **We Build Community**

Here at the Y **WE BUILD COMMUNITY.**

In 2018-2019 we were able to allocate **\$108,000** in direct financial assistance, teach **1,725** youth life-saving water skills, and provide over **36,000** meals to children so they wouldn't have to worry their next meal was going to come from, and much more!

This work is only possible through our mission partners such as **generous donors like you**. Your contribution to the Annual Community Campaign will allow us to continue our mission everyday for every member of our community.

## What will you help build?

**\$60** will give a child the opportunity to build life saving water safety skills.

**\$98** will allow a child to participate in a session of youth sports to build confidence and learn teamwork.

**\$180** (\$15/month) will give a child a safe and encouraging place to go after school.

**\$204** (\$17/month) will give a single parent the ability to go to work for one week and not worry about the cost of child care.

**\$696** (58//month) will give a family the opportunity to spend time together, get healthy together, and have fun together through an annual family membership.

**\$252** (\$21/month) provides a youth in our community the chance to build relationships in a safe environment with an annual youth membership.
