Do I need to register my entire family?

No, only register the children participating in the Egg Hunt (ages 6 months - 12 years)

Do Parents/Guardians need to be in the pool?

Parents/Guardians only need to be in the pool if their child is 6 or under (this includes our Splash Area). Parent/Guardians are encouraged to swim their children during the Family Swim Time.

How will the egg hunt take place?

- We will release the eggs in the pool prior to the start. It does not matter how many eggs the child "finds" as everyone leaves with a gift bag.
- We will have some special "shiny" eggs that if found, those children will receive an extra prize. We will only honor finding 1 shiny egg per child.
- Participants will be given 15 minutes to find the eggs, and then we ask that they turn the eggs in at that point. This will allow us to get the eggs ready for the next hunt.

What do we need to bring?

Come dressed and ready to swim to eliminate overcrowding in the locker room. Make sure you have towels. Bring a basket or bag to collect the eggs.
