PERSONAL TRAINING AT THE Y

ERIN SCOTT

"My priority is helping others achieve their goals."

ERIN SCOTT

PERSONAL TRAINER

- AFPA certified Nutrition and Wellness Consultant
- My fitness philosophy is exercise should be a way of life - not a punishment for something you ate
- My client focus is building confidence and self-efficacy with exercise so that success felt in the gym instills positive habit change in your fitness routine
- My motivation comes from seeing clients feel better and improve their quality of life through exercise
- My favorite quote: "Forget YOLO. You only DIE once; you have to LIVE every day!"
- When I'm not training clients, I enjoy teaching group fitness classes, or spending time at home with my husband and our son
